RE: Confirmation of Meeting Notice

DATE: 10 October, 1988

This is to confirm that the next membership meeting of the Newark Community Project for People With AIDS will convene:

DATE: Wednesday, 26 October, 1988

TIME: 7:15 p.m.

PLACE: Municipal Council Conference Room  
City Hall, Room 304  
920 Broad Street  
Newark  
(entry on Green Street)

As in the past, we are grateful to Councilman Donald Tucker, Chairman of the Newark Advisory Committee on AIDS, and City Clerk Robert Morasco for assistance in securing use of the Conference Room.

Also, please note that the only distinction between those to whom these memoranda confirming meeting dates are addressed and those to whom copies are sent is that those at the top of the page represent individuals who have attended membership meetings to date. However, it should be noted that all of our meetings are open and everyone is welcome, especially those to whom we send c.v. copies.

We have now conducted two highly successful fund-raising events: The cocktail reception at the beautiful new home of Mr. Charles Cummings to which we were pleased to welcome Councilman George Branch

as a special guest; and the even more remarkably successful People With AIDS Theater Workshop presentation at North Reformed Church.

We are grateful for the encouraging turnout at the theater benefit, to Senator Wynona Lipman for serving as our hostess for the evening, and especially to Ms. Ellen Bey and Mr. John Dzwonar of SPECIAL AUDIENCES for their perseverance, hard work, and steadfast commitment to making the evening such a great success. [I apologize for having fainted that night right outside the church.]

Upcoming events to be marked on your calendar:

A benefit performance by a Gospel Choir composed of members of Color with two surprise guests sponsored by the Dean of Minority Affairs at Rutgers Newark (Mr. James Credle) and the Gay & Lesbian Alliance of Rutgers students with support from most Minority student organizations. The gala affair is scheduled for Friday evening, November 4th, at the Paul Robeson Student Center, 350 Martin Luther King Jr. Boulevard. Tickets are \$7.00 each. The sponsors hope to raise \$1,500 to be equally apportioned to children, to the homeless, and to a support group, i. e., the Newark Community Project for People With AIDS. We will be mailing out tickets shortly.

A benefit fund-raiser sponsored by WRNU Radio Station (Newark Rutgers) at the Paul Robeson Center, Tuesday evening November 22nd, beginning at 8 p.m. Depending on the specific performers the station lines up this week, ticket prices will range from \$5.00 to \$8.00. In this case, we will be sending out numbered tickets in advance with return envelopes to the station, thus expediting the entire process. All proceeds will be donated to the Newark Community Project for People With AIDS.

Finally, our semi-formal dinner at the Gateway Hilton is scheduled for Thursday evening December 1st. The Rev. Buster Soaries, associate pastor of Shiloh Baptist Church in Trenton and former New Jersey Director of Jesse Jackson's Operation PUSH, has kindly offered to serve as our principle speaker.

By all reports, the radio program with Dr. Johnson W. Alexander was highly successful and very informative.

I am enclosing three items for your advance consideration:

1. A draft copy of a possible advertisement with our new logo as prepared by Mr. Mark Toone.
2. A brief description of the organization elaborated on since a hurried-up draft was telephoned to SPECIAL AUDIENCES.
3. A copy of the Secretary of State's official okay for the use of our name obtained by George Hanley Esq. and sent to City National Bank.

Please telephone Ms. Elsie Dickenson at 824-5900 if by chance you will be unable to attend the October 26th meeting.

With Warm Regards,

The Newark Community Project for People With AIDS was formed this year to provide direct assistance to persons with AIDS and their loved ones from the Greater Newark area.

This organization will develop a comprehensive education/prevention effort in cooperation with other groups, including the City of Newark Health Department, the Boys & Girls Clubs of Newark, and other youth groups as well as a host of agencies providing drug rehabilitation services and other health authorities.

In addition, the Newark Community Project for People With A.I.D.S. solicits volunteers to serve on its Standing Committees and to visit the sick and shut-in. Dr. John W. Alexander, Director of Pediatrics for The Childrens Hospital, has also asked us to solicit toys and clothing for the 10-15 babies a day who enter the hospital's Children with AIDS Project (CHAPP).

This group also plans to publish and disseminate a comprehensive resource directory of services available from public and private sources, also to the extent possible in cooperation with City's and State Health officials.
